Sometimes, when home? We took a DC-7.

Whatever your reason for getting home sooner...
Take the **DC-7**...world's **fastest** airliner

With its top speed a remarkable 600 miles an hour, the DC-7 wings you with relief on those across-the-ocean, across-the-continent commutes in the world.

Next stop, get their names, more comfortably - by DC-7. Not only more people and more airlines fly Douglas than all other airplanes combined!
